

The next CAM Meeting is on Wednesday 6th March 2024 at 7.30 at Kirklands, Main Street, Menston LS29 6HT

Retrofit and homes!

"Improving the energy efficiency of your home without having unintended consequences isn't as simple as you think."

Cathy Hunt is going to explain the industry wide PAS2035 Retrofitting framework which can help create a step by step plan for homes whilst avoiding the pitfalls.

Plus updates from CAM working groups

Everyone welcome.
